

Enjoy

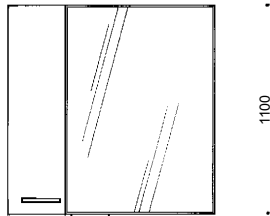

Design Mia Wahlstein och Josef Zetterman.

The Enjoy series meets the requirements of flexible conference products for today's meeting rooms. A cabinet that contributes something unique to any conference room. Accessories can be combined or used separately to meet any presentation requirements. A wide selection of colours and wooden finishes are available to suit all interiors.

The wooden cabinets are available in birch or oak, veneer alt. in lacquered MDF. Corners and edgings are mitred. Glass writing boards are available in magnetic E3 enamel whiteboard, optic white finish as well as SilverPro™ – a magnetic glass board suitable for dry markers and image projection in 4:3 and 16:9 format. Cabinets and boards are mounted on two hidden aluminium rails, distanced 7 mm from wall, 2000 mm above the floor.

Below you will find some of the most common combinations for various conference rooms:

Enjoy

ENJOY GLASS WRITING BOARD WITH LOWER PANEL

The frame consists of a natural anodised aluminium edging and is fitted with a board in Optic white glass, SilverPro™ glass or whiteboard E3 enamel surface. The lower panel, under the writing board, is made from a veneered or lacquered MDF rail. It contains a 400 mm long pen and eraser compartment that is hidden behind a hinged door. All surfaces are magnetic.
