

Casca Glass Writing Board

Mounting Instructions

IMPORTANT

Please check the board for damages upon arrival – damages must be reported within 24 hours of delivery. The fixings supplied must be checked for compatibility with the wall type. If necessary alternative screws and wall plugs may need to be used. Please take care when handling the board – do not bend, do not drop, avoid contact with hard surfaces.

FITTING THE GLASS BOARD

3

Please ensure that the mounting rails engage at each point with the back of the board.

Do not attempt to mount the board on your own - please get help when moving and lifting the board into position.

The use of non-slip gloves, or suction pags (particularly for large boards) is recommended.

Fix rubber bump-ons to back of board spaced appropriately

Distance from pencil line to drill holes (mm)
