

# Postura+ Reverse Cantilever

Superior ergonomics with enhanced movement

The ergonomic design of the Postura+ seat shell is coupled with the practicality of a reverse cantilever base. Suited to a variety of applications, this chair maintains complete design cohesion with the rest of the Postura+ seating collection. Offering enhanced movement during seated periods, the chairs are light, stain resistant, anti-static and easy to clean. Easy to perch on table tops at the end of the day to facilitate easy floor cleaning, they also stack to 4 high.

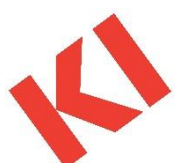

- High impact resistant polypropylene shell
- Perfect ergonomics with a waterfall seat edge
- 22.22mm x 2.5mm tubular steel base in Grey
- BS EN 1729 Part 2, BS 5852 (Crib5) certified
- 16 polypropylene colours

**Made in the UK | 20 year warranty\***

\*20 year warranty on seat shells, 5 year warranty on base
