Abstracta Agile

Design Studio Stockholm

Abstracta Agile is a portable digital screen made for work environments that demand excellent functionality, aesthetics and acoustics.

Specifications

Abstracta Agile works like a project workspace on wheels, equipped with all the necessary tools. One side of the screen features a full length magnetic whiteboard, the other side contains an acoustic panel and the top section can accommodate an LCD display with video conferencing solution. There is a fold-out table for laptops on one side of the frame, which features an integrated cable (USB-C) for screen sharing.

The product can be equipped with a video conferencing solution, consisting of: NEC Multisync M551 LCD 55" display and Bose Videobar™ VB1.

TECHNICAL SPECIFICATION

Weight	Abstracta Agile: 91 Kg + LCD display: 26,4 Kg + Videobar: 4 Kg
Dimensions	W: 1359 x H: 1945 x D: 540 mm
Acoustics	Sound absorption in accordance with ISO 20189. $N_{10} = 2,6$
Lower section	The upholstered, sound absorbing lower section panel is able to open attached with magnets. The lower panel contains a hidden storage space for technical devices etc. The soft panel core is sound absorbing and made from recycled textile waste and recycled PET bottles. Upholstery "Repetto" (EU ecolabel) is made from 100% post-consumer recycled polyester. Upholstery "Vidar 4" (EU ecolabel) is made from 94% wool, 6% nylon.
Wheels	Two swivel castor wheels with lock, two without. Made from polyamide and polyurethan, precision ball bearing in swivel head.
Frame	Powder coated steel and aluminium.
Writing board	Full-length e3 magnetic, enamel whiteboard on one side. Dimensions: 1267 x 1824 mm.
Top section	Optional: 1 NEC Multisync M551 LCD 55" display. Bose Videobar™ VB1 for premium audio and video.
Cords	5 m power cord is only included when adding the NEC video conferencing solution.
Fold-out table	Material: coated steel. Table dimensions: W: 388 x D: 350 mm. Integrated and retractable USB-C cable for external connection and HDMI internal to a display.
Circularity	The soft panel core is made from recycled textile waste and recycled PET bottles. Upholstery "Repetto" (EU ecolabel) is made from 100% post-consumer recycled polyester. The E3 whiteboard surface and the Repetto textile is certified according to Cradle to Cradle. The product is designed to be reused and we offer 10 years spare part warranty. Use our Zero-waste recycle service when the product's lifecycle is over, see more: www.abstracta.se
